

BUNWELL PRIMARY SCHOOL AGM
21st September 2018

CHAIRMAN'S REPORT

The PTA have had a very busy year again organising various fundraising events to enable the children of our school to enjoy the benefits of subsidised trips and new equipment, some of which were :

Coach Trips to:

School of Rock production at Old Buckenham High School for the Years 6
Snettisham Farm trip for Ladybirds
Tide & Time Museum for Hedgehogs
Seething Observatory for Badgers & Foxes
Aircraft Museum Bungay for years 4 and 5

New play equipment was supplied for lunchtimes.

We held a Film night and Bingo night, the usual Mothers Day gift Wrap event and for the first time this year Father's benefited too ! The year 6 leavers also enjoyed their own event when we all said goodbye and good luck to them as they venture onto High School.

Thank you to all parents and carers for your invaluable support and for the donations/contributions we ask you to make, it is much appreciated, especially by the children.

Without the PTA and its members many of these events would not take place so we do need to continue into 2019 but this is only possible if we have adequate numbers of volunteers willing to give their time to help us.

I am stepping down as Chairman now after being in the role for 2 years. We will now be electing a new committee going forward.

Best Wishes

Paula Carter
PTA CHAIRMAN
