

Curriculum Information

Hedgehogs Year 1/2 - Autumn 1 2021

Subject	What we will be learning	How you can help at home
English	<p>In English we will be learning about what makes a good poster, before creating our own.</p> <p>We will then be making changes to a story set in a familiar place.</p>	<p>Keep an eye out for posters, discussing the colours/pictures used and what the poster is for.</p> <p>Continue to read stories at home, particularly ones set in a familiar place (school, home, etc.).</p>
Maths	<p>In Maths we will learn about place value and addition/subtraction.</p>	<p>Do some simple addition and subtraction sums at home. It is important to have day to day conversations about time, money, etc.</p>
Science	<p>In Science we will be learning about living things and their habitats.</p>	<p>Have a look around your garden or local outside area to find habitats and the different animals that live there.</p> <p>You could also design and create a bug hotel, predicting what minibeasts may visit.</p>
Topic	<p>Our topic over the first few weeks will continue to be Dinosaurs to complement our trip to the cathedral to see Dippy.</p>	<p>Discuss and read about dinosaurs at home. You could also take a trip to Norwich to complete the Dinosaur Hunt around the city.</p>
Art/DT	<p>In Art we will be learning about Antoni Gaudi and using his mosaic/collage technique to create Gaudi-style Dinosaurs.</p>	<p>Allow children to help with cooking and preparing food at home.</p>
PSHE	<p>The key theme is Health and Wellbeing, this will allow us to explore healthy lifestyles, mental health and what makes us special.</p>	<p>Allow children to discuss healthy lifestyles including healthy foods, exercising and dental care. This could include helping to prepare a healthy meal.</p>
RE	<p>We will be exploring religious symbols and artefacts.</p>	<p>Discussions about Christianity, Judaism, and Islam as well as potential trips to places of worship.</p>

PE	We will be focussing on multi-skills and gymnastics in PE this term. <i>PE will now be on a Tuesday afternoon, please leave your PE kit at school.</i>	Playing ball games will help with the coordination required for multi-skills. Using climbing frames in gardens/parks to improve gross motor skills.
Forest Schools	We will be learning about seasons in Forest Schools this term. <i>Forest Schools will be on Thursday afternoon, please come to school in Forest Schools kit.</i>	Discuss the changes that happen to trees in autumn, as we approach the winter months.
Music	We will be listening to a range of sounds and music. We will then use our voices creatively by singing songs.	Allow a range of music to be played at home, discussing likes and dislikes.
Trips/ visitors	‘Dippy’ at Norwich Cathedral – 30.09.2021 Dinosaur Park - TBC	
Homework	Reading with your children at home is essential for development across the curriculum. If you would like any extra resources to support any learning at home, let me know.
